PROFESSIONAL SUMMARY

Aspiring Full-Stack Developer with practical experience in web development through an internship and personal projects. Skilled in HTML, CSS, JavaScript, React.js, Python, Django, MySQL, and MongoDB. Interested in building responsive, user-friendly web applications and developing reliable backend solutions.

INTERNSHIP EXPERIENCE

Full-Stack Developer Intern

BDreamz Global Solutions Pvt. Ltd. | April 2026 – September 2026

- Developed responsive web pages using HTML, CSS, JavaScript, and React.js.
- Worked on web application development using Python, Django, MySQL, and MongoDB.
- Gained practical experience in frontend development, backend development, and database integration.

TECHNICAL SKILLS

- **Frontend:** HTML5, CSS3, JavaScript, React.js
- **Backend:** Python, Django
- **Databases:** MySQL, MongoDB
- **Tools:** VS Code, Git, GitHub
- **Soft Skills:** Communication, Problem-Solving

PROJECTS

1. Public Complaint Management System

- Designed a centralized platform for citizens to register and track complaints related to traffic, water shortages, train delays, and other public issues.
- Planned three panels: Public, Department Officer, and Admin, to support complaint management, department assignment, and status updates.
- Focused on improving accessibility, transparency, and complaint tracking.

2. Doctor Appointment Management System

- Developed a web application for booking doctor appointments and storing patient details in a MySQL database.
- Implemented appointment listing, editing, and deletion features.
- Deployed the application on Render and connected it to an Aiven cloud MySQL database.

3. Amazon Clone Website

- Built a responsive Amazon-style homepage with product listings, a navigation bar, and interactive features.
- Used HTML, CSS, and JavaScript to create the user interface.

4. Chatbot Application

- Developed an interactive chatbot application using HTML, CSS, JavaScript, and React.js.
- Created a user interface for displaying and interacting with chatbot messages.
